

TESTIMONIAL

The reception was held at the brand new Markham Event Centre. This [wedding] was the first event ever held at the luxurious facility and I was so impressed with the service and the food was AMAZING ! [Our] community was definitely in need of a more upscale venue that will rival those in Woodbridge. This is the one. I highly recommend everyone to consider M.E.C. for their special functions.

Dear Edmund,

Thank you for making our wedding reception a wonderful evening! We're sure that it was just as successful for you and everyone at MEC hosting us as your first reception!

Many thanks and cheers!
Linda & Kerry

Dear Christina,

My wedding reception at MEC was incredible! I am proud to say that my husband and I were one of the first couples to have a reception at MEC. The food and service was beyond what I had imagined and a lot of my guests praised about the wonderful time they had. Christina and her staff were wonderful to work with and went beyond what they had to, in order to meet all my needs. I would recommend MEC to anybody that is in need of an elegant and beautiful venue for his or her very own special event!

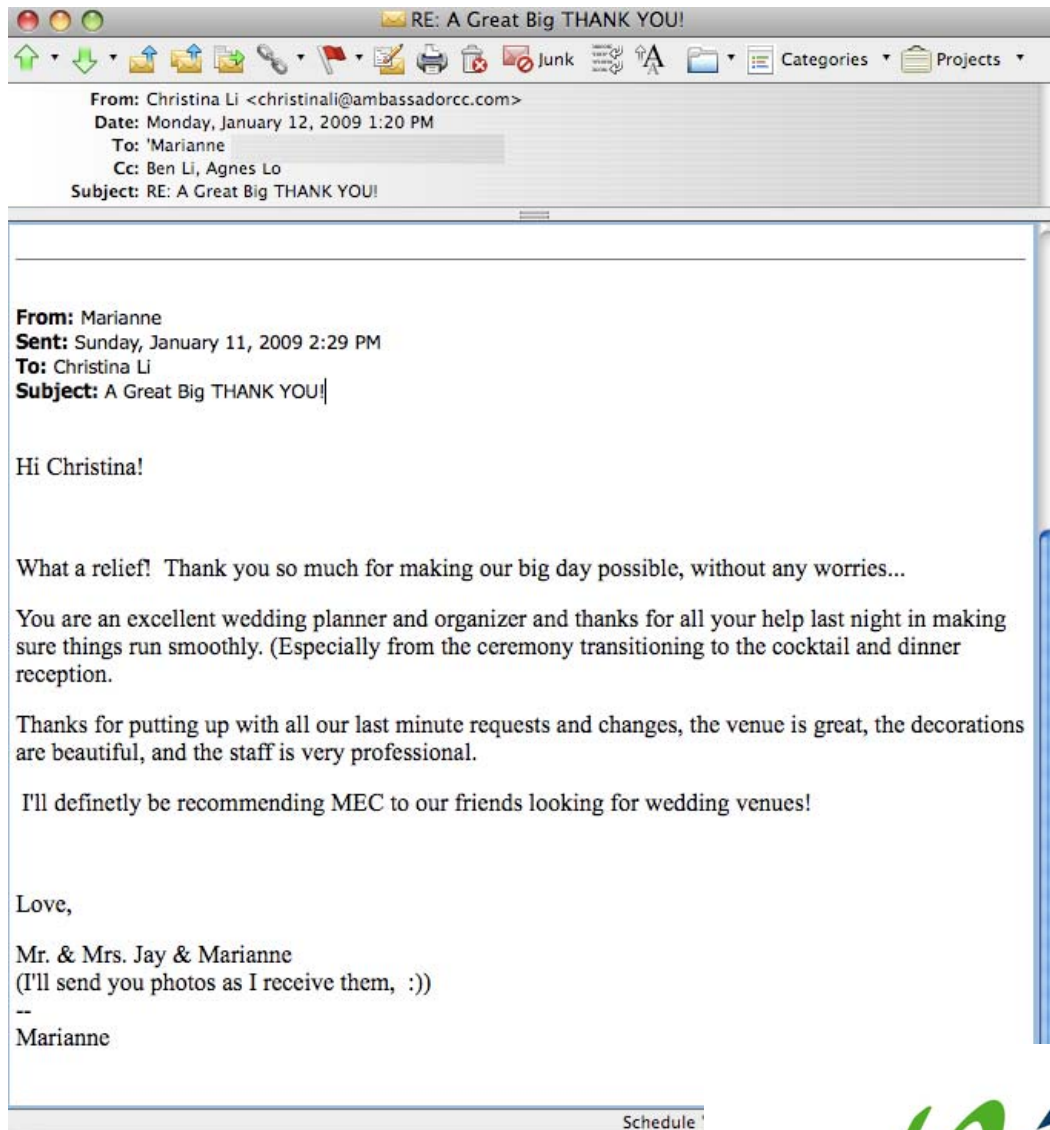

*Thank you so much again,
Beverly & Chris*

Dear Edmund,

We just wanted to thank you personally for all your help in organizing our wedding reception at MEC. Your service was excellent, and you made the entire planning process so easy and enjoyable for us, which we totally appreciated. MEC is an amazing venue, and we had nothing but compliments on the food, service & delicious dessert table.

Thank you for making our day so special,
Traci & Shaun

Dear Christina Li and Markham Event Centre Staff,

Winnie and I cannot thank you enough for making our wedding such a spectacular and magical evening. From the moment we began planning the wedding, you were there to take all our suggestions and ideas and create the wedding reception that we had envisioned. Your experience in the wedding industry and resources allowed us to really personalize our wedding reception. Thank you for being involved in all aspects of the evening, from decor, lighting, food, drinks, and even security. You understood our needs and desires and incorporated it into all aspects of that evening. The food of that evening was fantastic. You were able to give us our food stations during cocktail hour which we had always wanted. For the reception, the menu offered guests something new and unique that would not normally be found at your typical wedding banquet. We always felt comfortable in dealing with you and your staff and always had the feeling that you truly cared about what we wanted and did the best you could to make it happen. Thanks again for being a part of the most memorable night of our lives.

Your friends,
Minh and Winnie

I wanted to say thank you so much for the help on Saturday. I can't say enough about how amazing everything was, from the room, to the food, to the amazing service. You made all our dreams come true!!

Dan and I would love to write a testimonial for your website. Please let us know if you are looking for more and if so, what the ideal word length is. We can also include a pic from our amazing photographer. When we get them I'll look for one that really showcases the hall.

Everyone is talking about MEC and everyone wants to have their reception there now! My florist was so impressed that she has already referred one client there!

Elise and Dan
